Invitation to the press preview

Frankfurt / 27 May 2015

**IMAGINE REALITY**  
**RAY 2015 Fotografieprojekte Frankfurt/RheinMain**

Dear Madam and Sir,

This summer the Rhine-Main region celebrates the medium of photography with a unique collaboration: From 20 June, the second edition of the photography triennial RAY 2015 Fotografieprojekte Frankfurt/RheinMain once again presents outstanding international positions of photography at 12 venues in Frankfurt and the region.

For the exhibition **IMAGINE REALITY** 28 artists were selected, which use fragments of reality as their source to create imaginary and visionary worlds. Their images lead into a world in which reality and fiction, facts and illusion are inseparably woven together. The exhibition is on display at **Fotografie Forum Frankfurt, Museum Angewandte Kunst** and **MMK Museum für Moderne Kunst Frankfurt am Main**. Additionally RAY 2015 supports and commissions artistic new productions and presents partner exhibitions at nine further venues in the region.

We hereby cordially invite you to attend the press preview of
